

### **Mt. Nebo 67 - Worshipful Masters Charge to the Brothers**

Brothers , as we head toward our Masonic Year 2017- 2018 how would you say you have executed on these 4 questions?

In the past 30 days...

**Have I engaged in a meaningful interaction with a Brother not normally in my fellowship circle?**

**Have I received or shared light with another brother within Mt. Nebo lodge #67?**

**Have I talked with one Good man about Freemasonry and shared what can be shared about its beauty?**

**Have I contributed thoughts, ideas, or time toward making Mt. Nebo a harmonious and effective lodge?**

Once we can ALL consistently answer “YES” to these 4 questions, they will become habits. As a result we will see tremendous growth & development within our lodge.
