

The Masters Corner

Pg.1 October 2017

It's a great time to be apart of Six7. As the weather breaks and the air gets crisp we have some exciting things happening this Fall. I know there are several Titans fans in Six7 and you have my condolences...However, the Steelers look ready to play in Houston at the end of the year while Mariota and crew watch from home.

I would like to thank all the brothers who have made the commitment to make Six7 the premier lodge in Masonry AGAIN. We have some great things that we are doing and it's getting noticed in our district. Six7 is posed to be the leading lodge in the NMD. Let's keep pushing and evolving Brothers!

Recreation Committee

Bro Haley and team have been working hard to set up some fun, creative recreational events for the brothers. The first being a Six7 Tailgate on Oct 16th. He and the committee will be reaching out to those brothers that said they would like to attend. Thanks Bro Haley & Bro Ford for your continued hard work.

Fundraising Committee

Our first fundraiser was a huge success. Our committee chairs will be sending out details for our next event shortly. The date will be November 19th and it will be a fun filled evening. More details to come from the committee.

Read & Ride Program

The R&R Program is in full swing thanks to the good work from Bro. Moore. This year we are expecting record participation from our kids at Buena Vista. Please record the date for the rewards day as we would like to have as many brothers attend as possible. Thanks Bro. Moore and committee for your hard work.

We have great momentum going into October. Let's continue to ask ourselves those 4 questions every 30 days and keep Six7 moving forward.

Please send answers to info@mtnebo67.org

Thanks to all the brothers who were able to pay on time.
